Sir,

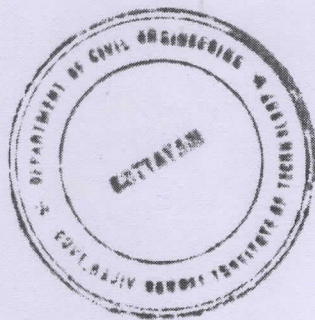

Sub.: Issuing structural stability certificate – deferment of visit – reg.

Ref.: Letter No. Nil dated 15/06/2021

We received your letter cited above requesting for appointing an inspection team for physical verification of your school and to assess the structural stability of the school building. Kindly be informed that I am not able to appoint a team of faculty for the physical inspection of the school at the present pandemic situation as all the faculty in the department are permitted to work from home and are not available in the campus. In these circumstances, we regret to inform you that, at present, we are not in a position to inspect your site to give a structural stability certificate. We would like to inform you that, only after the present crisis due to COVID 19 pandemic, we will be in a position to visit your site for inspection. The inconvenience caused is deeply regretted.

Yours truly,

The Head of Department,  
Department of Civil Engineering,  
RIT, Kottayam
