Easy access to classrooms:

1. Wheel Chair Facility

Place	College Campus
Year of establishment	2024

Wheel Chair Facility

The college provides wheelchair facilities to support disabled students in accessing classrooms and restrooms. These wheelchairs ensure that students with mobility challenges can navigate the campus with ease. This initiative underscores the college's commitment to inclusivity and accessibility for all students.

Ramp facility for Divyangen Students

Rails have been installed on the steps throughout the campus to assist students in navigating between classrooms more easily. Handrails have also been added to the disabled-friendly toilets to provide additional support and safety. Additionally, a ramp facility has been installed in the college buildings to ensure smooth access for those using wheelchairs or mobility aids. These improvements collectively enhance campus accessibility and ensure a safer, more inclusive environment for all students.

3. Divyangjan Friendly help Desk

Place	College Campus
Year of establishment	2023

Divyangjan Friendly help Desk

The college has established a Divyangjan-friendly help desk specifically designed to assist students with disabilities. This help desk offers specialized support and resources to ensure that disabled students have a smooth and accessible campus experience. The initiative reflects the college's commitment to creating an inclusive environment for all students.

6. Open Source Reading and Braille Software

Place	College Campus
Year of establishment	2023

Braille Software for Divyangjan students in Library

The college provides Braille software to assist Divyangjan students in using computers more effectively. This software allows visually impaired students to access digital content and complete their academic tasks with greater ease. By integrating this technology, the college enhances accessibility and supports an inclusive learning environment.

Divyangjan Friendly Car Parking Area

A Divyangjan-friendly car parking area has been designated at the back side of the college for the convenience of students and staff with disabilities. This parking area is strategically located to provide easy access to the college without the need to climb steps. The arrangement ensures that individuals with mobility challenges can park their vehicles and enter the college smoothly. By offering this accessible parking solution, the college promotes inclusivity and ease of access for all members of the community.
