

PRINCIPAL'S REPORT ACADEMIC YEAR 2023-'24

KMEA College of Arts and Science is steadily Progressing over the years, from the year of its establishment. In the last academic year our focus has been to combine the Co-ordinated efforts of Management, Principal, Staff and students to improve the quality of the Institution at all levels.

Education is not merely the acquirement of facts but also of values which help to improve the different facts of mankind. A pivotal role of education is shaping the personality of a student with a healthy and happy mind. A good education helps in equipping a student with aptitudes required for academic excellence together with developing ability to face the challenges is the modern economy in a balanced and harmonious way: I am quite happy to express sincerely that, we are advancing with clear cut objectives to develop the strengths of our Institution. I am presenting report of the curricular,co-curricular and extra-curricular activities of our college for the Academic Year 2023-'24.
