

KMEA COLLEGE OF ARTS AND SCIENCE

Kuzhivelippady, Edathala, Aluva, Ernakulam – 683561
Affiliated to Mahatma Gandhi University, Kottayam

ANNUAL REPORT

Academic Year 2025–2026

Excellence in Education • Innovation in Practice • Commitment to Society

ANNUAL REPORT

Academic Year 2025–2026

PRINCIPAL'S MESSAGE

It gives me immense pleasure to present the **Annual Report of KMEA College of Arts and Science for the academic year 2025–2026**. Every academic year is a new chapter in the journey of an educational institution, bringing with it fresh opportunities, new aspirations, meaningful achievements, and valuable experiences. The year 2025–2026 has been one such remarkable year for our college, marked by academic progress, student accomplishments, innovative initiatives, and a continued commitment to serving society.

At KMEA College of Arts and Science, we believe that education is not merely about earning a degree; it is about shaping character, nurturing values, developing leadership, and preparing young minds to face the challenges of a rapidly changing world with confidence and integrity. Every initiative undertaken during the year was guided by this belief, enabling our students to grow not only academically but also personally and socially.

The academic year witnessed a vibrant blend of curricular, co-curricular, and extension activities. A wide range of seminars, workshops, invited lectures, industrial visits, skill development programmes, career guidance sessions, cultural events, sports activities, and community outreach initiatives enriched campus life and provided our students with opportunities to learn beyond the classroom. These experiences strengthened their knowledge, enhanced their skills, and instilled in them a spirit of teamwork, creativity, and social responsibility.

One of the greatest strengths of our institution is its unwavering commitment to community engagement. Through the dedicated efforts of the National Service Scheme, various clubs, departmental associations, and institutional cells, our students actively participated in environmental initiatives, health awareness programmes, blood donation drives, outreach activities, and social service programmes. Such initiatives reflect our conviction that higher education should contribute positively to society while nurturing compassionate and responsible citizens.

The college also continued to strengthen its academic and professional collaborations with industries, organisations, and institutions through various Memoranda of Understanding, expert interactions, and career-oriented programmes. These collaborations have opened new avenues for experiential learning and professional growth, ensuring that our students remain well-equipped to meet the evolving demands of higher education and employment.

The achievements highlighted in this report are the result of the collective efforts of our Management, faculty members, administrative staff, non-teaching staff, students, parents,

alumni, and well-wishers. Their unwavering support, dedication, and shared commitment have been instrumental in the continued growth and progress of our institution.

As we reflect on another successful academic year, we also look forward with renewed optimism and determination. We shall continue to strengthen our academic standards, encourage innovation and research, promote inclusivity, and uphold the values that have always defined KMEA College of Arts and Science.

I extend my heartfelt gratitude to everyone associated with our institution for their continued trust, encouragement, and support. I hope this Annual Report serves as a meaningful record of our collective achievements and inspires us to strive for even greater excellence in the years ahead.

Prof. (Dr.) K. M. Abdul Karim

Principal

KMEA College of Arts and Science, Kuzhivelippady, Kochi

ABOUT THE COLLEGE

KMEA College of Arts and Science, Kuzhivelippady, Edathala, is a premier institution of higher education established under the aegis of the **Kerala Muslim Educational Association (KMEA)**, one of Kerala's most respected educational organisations. The college is affiliated with **Mahatma Gandhi University, Kottayam**, and is committed to providing quality higher education that combines academic excellence with moral values, professional competence, and social responsibility.

The institution offers a vibrant learning environment where students are encouraged to pursue academic excellence while developing leadership qualities, creativity, ethical values, and a commitment to lifelong learning. With a team of dedicated faculty members, modern infrastructure, well-equipped laboratories, ICT-enabled classrooms, library resources, and student support services, the college provides an atmosphere conducive to holistic development.

Academic excellence at KMEA College of Arts and Science is complemented by an equally strong emphasis on research, innovation, skill development, entrepreneurship, industry interaction, community engagement, and extension activities. Through seminars, workshops, industrial visits, internships, outreach programmes, and collaborations with reputed organisations, the institution ensures that students receive experiential learning opportunities aligned with contemporary academic and professional requirements.

The college actively promotes inclusive education by creating equal opportunities for students from diverse social and economic backgrounds. Various clubs, forums, and institutional cells provide platforms for students to explore their talents, develop leadership skills, participate in cultural and sports activities, and contribute meaningfully to society through community service initiatives.

With an unwavering commitment to quality, innovation, and continuous improvement, KMEA College of Arts and Science continues to nurture socially responsible, professionally competent, and globally conscious graduates who are well prepared to meet the challenges of an evolving world.

ACADEMIC YEAR AT A GLANCE

The academic year **2025–2026** was marked by a dynamic blend of academic excellence, innovation, student engagement, and community service. The college successfully organised a wide spectrum of programmes aimed at enriching the educational experience while fostering professional competence, leadership, and social responsibility among students.

Throughout the year, departments organised national and international seminars, workshops, invited lectures, faculty development programmes, industrial visits, field-based learning experiences, and expert interactions. These initiatives provided students with exposure to emerging trends, practical applications, and interdisciplinary perspectives, complementing classroom learning.

Career guidance and placement initiatives received significant emphasis through orientation programmes, employability skill development sessions, higher education awareness programmes, and interactions with industry experts. These activities strengthened students' preparedness for higher studies and professional careers.

The National Service Scheme (NSS), departmental associations, and various institutional clubs remained actively engaged in extension and outreach activities. Environmental conservation programmes, health awareness campaigns, blood donation drives, community service initiatives, and social awareness programmes reflected the institution's commitment to nurturing socially responsible citizens.

The college also celebrated important national and international observances, cultural festivals, literary events, sports competitions, and student-led initiatives that enriched campus life and promoted creativity, inclusivity, and holistic development.

Strategic collaborations with academic institutions, industries, healthcare organisations, and professional bodies further strengthened experiential learning opportunities and enhanced the academic ecosystem of the college.

The pages that follow present a comprehensive account of the significant academic, co-curricular, extracurricular, extension, and institutional activities undertaken during the academic year **2025–2026**, reflecting the collective efforts and achievements of the KMEA College of Arts and Science community.

JUNE 2025

The academic year **2025–2026** commenced with a renewed commitment to academic excellence, holistic development, and community engagement. The programmes organised during June reflected the institution's focus on environmental sustainability, social responsibility, student welfare, career development, and academic enrichment. Various departments and institutional bodies actively initiated the year's activities by organising awareness programmes, competitions, extension activities, and career guidance sessions that encouraged students to participate beyond the classroom.

Department of Commerce

01 June 2025 – Free Distribution of Study Materials to School Students at Kakkathuruthu (Adopted Village)

The **Department of Commerce** organised the **Free Distribution of Study Materials** for school students at **Kakkathuruthu**, the institution's adopted village. The initiative reflected the department's commitment to community outreach and educational support by extending learning resources to deserving students, thereby reinforcing the values of compassion, social responsibility, and inclusive education.

Department of English

04 June 2025 – Photography Competition

The **Department of English**, in association with the **Internal Quality Assurance Cell (IQAC)**, organised a **Photography Competition** to encourage creativity and artistic expression among students. The competition provided participants with an opportunity to capture meaningful perspectives through photography while promoting observation, imagination, and visual storytelling.

05 June 2025 – Basheer Day Quiz Competition

In connection with **Basheer Day**, the Department of English organised a **Quiz Competition** to commemorate the literary contributions of Vaikom Muhammad Basheer. The programme encouraged students to appreciate Malayalam literature while enhancing their literary knowledge and participation in academic competitions.

23 June 2025 – Reading Week

The **Literary Club** and the **Department of English**, in association with **IQAC**, observed **Reading Week** through activities that promoted reading habits and literary appreciation among students. The programme highlighted the importance of reading as a lifelong learning practice and encouraged students to develop a deeper interest in literature.

Women Cell

05 June 2025 – Mehendi Fest

The **Women Cell** organised **Mehendi Fest**, providing students with a platform to exhibit their artistic talents and creativity. The programme encouraged enthusiastic participation while promoting cultural appreciation and interaction among students.

Nature Club & National Service Scheme (NSS)

05 June 2025 – World Environment Day Observation

The Nature Club, in association with the National Service Scheme (NSS), observed **World Environment Day** by organising activities to promote environmental awareness and sustainable practices among students. The programme encouraged participants to recognise their responsibility towards protecting the environment and conserving natural resources.

The observance was inaugurated by the **Principal** through the ceremonial planting of fruit-bearing trees on the college campus, symbolising the institution's commitment to environmental conservation and sustainable development. Students and faculty members actively participated in the initiative, reinforcing the importance of afforestation, biodiversity conservation, and eco-friendly practices. The programme served as a meaningful reminder of the collective responsibility to preserve nature for future generations.

20 June 2025 – International Yoga Day

The National Service Scheme (NSS) Unit observed **International Yoga Day** by organising programmes that promoted physical fitness, mental well-being, and healthy living. The event encouraged students to embrace yoga as an effective practice for maintaining a balanced lifestyle and enhancing overall health.

The programme was inaugurated by the **Principal**, who highlighted the importance of incorporating yoga into daily life to achieve physical, mental, and emotional well-being. Students and faculty members actively participated in the yoga session, demonstrating various asanas and breathing exercises under proper guidance. The observance reinforced the significance of yoga as a holistic approach to leading a healthy and stress-free life.

Career Guidance and Placement Cell

23 June 2025 – Campus to Corporate Programme

The **Career Guidance and Placement Cell** organised a **Campus to Corporate** programme on **23 June 2025** in collaboration with **Easylink Academy**. The session was led by **Mr. Hashim** and **Mr. Dibin**, who provided valuable insights into the transition from academic life to the corporate world.

The resource persons guided students on essential employability skills, workplace etiquette, professional communication, interview preparation, and career planning. Through interactive

discussions and practical examples, the programme equipped students with the knowledge and confidence required to meet corporate expectations and enhance their career readiness. The session was highly informative and benefited students preparing for higher studies and future employment opportunities.

25 June 2025 – Seminar on Career Opportunities Abroad

The **Career Guidance and Placement Cell**, in association with **Edroots International**, organised a seminar on **Career Opportunities Abroad**. The programme familiarised students with higher education opportunities, international career pathways, and global employment prospects, enabling them to make informed decisions regarding their future academic and professional aspirations.

Anti-Narcotic Cell

26 June 2025 – Awareness Session on International Anti-Drug Day

The **Anti-Narcotic Cell**, in association with **IQAC** and **GVHSS Thrikkakkara**, organised an **Awareness Session on International Anti-Drug Day**. The programme sensitised students to the harmful effects of substance abuse while promoting healthy lifestyles and responsible citizenship.

Department of Statistics

30 June 2025 – International Quiz Competition on National Statistics Day

An **International Quiz Competition** was organised in observance of **National Statistics Day**, encouraging students to strengthen their analytical thinking, quantitative knowledge, and awareness of the significance of statistics in contemporary society.

June laid a strong foundation for the academic year through a balanced combination of academic initiatives, environmental awareness, community outreach, literary activities, career guidance, and social responsibility programmes. The active involvement of departments and institutional cells reflected KMEA College of Arts and Science's commitment to providing meaningful learning experiences beyond the classroom.

Highlights of June 2025

- **Total Programmes Conducted: 10**
- **Departments/Cells Involved:** Department of Commerce, Department of English, Women Cell, Nature Club, NSS, Career Guidance and Placement Cell, Anti-Narcotic Cell, IQAC.
- **Major Focus Areas:** Community Outreach, Environmental Sustainability, Literary Development, Career Guidance, Student Engagement, Health Awareness and Social Responsibility.

JULY 2025

July marked the formal commencement of the Four-Year Undergraduate Programme and witnessed a wide spectrum of academic, extension, skill development, industry interaction, and student engagement initiatives. The programmes organised during the month reflected the institution's commitment to experiential learning, professional development, community outreach, and holistic education. Various departments and institutional bodies actively organised workshops, competitions, industrial visits, awareness programmes, and collaborative activities that enriched students' academic experience.

College Administration

01 July 2025 – Vijnanolsavam: Four-Year Undergraduate Programme Inauguration

The college formally inaugurated the **Four-Year Undergraduate Programme (FYUGP)** through **Vijnanolsavam**, marking the beginning of a new academic phase. The inaugural programme welcomed students to the revised undergraduate curriculum and introduced them to the vision and objectives of the Four-Year Undergraduate Programme.

Extension Activity

02 July 2025 – Just A Drop: Visit to M. V. Ibrahimkutty Memorial Special School

As part of the extension initiative "**Just A Drop**," students visited **M. V. Ibrahimkutty Memorial Special School**, promoting compassion, inclusion, and meaningful community engagement through interaction with the students of the institution.

Department of Computer Applications

02 July 2025 – Social Media Day: Online Quiz Competition

The Department of Computer Applications organised an **Online Quiz Competition** in connection with **Social Media Day**, encouraging students to explore the impact of digital media while enhancing their awareness of responsible and informed use of social networking platforms.

10 July 2025 – Public Library Visit

The department organised a **Public Library Visit** to encourage students to develop reading habits and make effective use of public knowledge resources for academic enrichment.

17 July 2025 – World Emoji Day: Smiley Sparks – Emoji Design Challenge

In observance of **World Emoji Day**, the department organised “**Smiley Sparks**” – **Emoji Design Challenge**, providing students with an opportunity to demonstrate creativity and digital design skills through an engaging competition.

21 July 2025 – FYUGP Induction Programme: Industry Talk

As part of the **FYUGP Induction Programme**, the **Department of Computer Applications** organised an **Industry Talk** to familiarise first-year students with current industry practices, emerging technologies, and career opportunities in the IT sector. The session was delivered by **Mr. Jibu** from **Spectrum Talk Solutions**, who shared valuable insights into the evolving IT industry, workplace expectations, and the skills required to build a successful professional career. He emphasised the importance of continuous learning, technical proficiency, effective communication, teamwork, and adaptability in today's dynamic work environment. The interactive session provided students with a better understanding of industry expectations and inspired them to prepare for rewarding careers in the field of computer applications and information technology.

23 July 2025 – EXPLORITA: Industry Exposure Tour

The department organised **EXPLORITA**, an Industry Exposure Tour for the **BCA 2023 Batch**, providing practical exposure to industry operations and strengthening the connection between classroom learning and professional practice.

Department of Management Studies

08 July 2025 – Workshop on Disaster Management and Fire & Rescue Management

The Department of Management Studies organised a **Workshop on Disaster Management and Fire & Rescue Management** to create awareness about disaster preparedness, emergency response, and safety management practices.

11 July 2025 – Public Library Visit

The department organised a **Public Library Visit**, encouraging students to strengthen their reading habits and utilise library resources beyond the classroom.

15 July 2025 – REELS Contest (Youth Skill Day)

In connection with **Youth Skill Day**, the department conducted a **REELS Contest**, encouraging students to creatively communicate ideas using digital media while showcasing their technical and presentation skills.

Department of Management (BBA)

15 July 2025 – Skill Shot

The Department of BBA organised **Skill Shot** in connection with **National Skill Day**. The programme featured an interaction with **Nishaan David**, social media influencer, followed by prize distribution, motivating students to develop professional and personal skills.

30 July 2025 – Disaster Management Workshop

The department organised a **Disaster Management Workshop**, equipping students with practical knowledge on emergency preparedness and disaster response.

Department of Commerce

18 July 2025 – Industrial Visit

The Department of Commerce organised an **Industrial Visit** for the final-year B.Com students to **Munnar**, providing practical exposure to industrial operations and organisational practices relevant to their academic curriculum.

Department of Psychology

16 July 2025 – World Chocolate Day

The **Department of Psychology** celebrated **World Chocolate Day** on **16 July 2025** by organising "**Chocology – Blending Emotions**," a student-centred programme that combined fun, creativity, and experiential learning. The event explored the connection between chocolate, emotions, and positive social interaction through a series of engaging activities.

Students enthusiastically participated in a **Blind Taste Test**, where they identified different varieties of chocolates using their senses, a **Chocolate Quiz** that tested their knowledge of chocolate and psychology-related facts, and an exciting **Treasure Hunt** featuring clues and challenges centred around the theme of chocolate. The programme fostered teamwork, observation, problem-solving, and emotional engagement while providing an enjoyable learning experience. *Chocology – Blending Emotions* successfully created a vibrant atmosphere that promoted interaction, creativity, and psychological well-being among students.

Department of English

15 July 2025 – Youth Skill Day Observation

The Department of English observed **Youth Skill Day** through activities highlighting the importance of skill development, communication, and lifelong learning.

22 July 2025 – Library Visit and Book Publishing

The department organised a **Library Visit** and **Book Publishing** programme, promoting literary engagement, reading culture, and creative writing among students.

23 July 2025 – World Population Day Quiz Competition

A **Quiz Competition** was organised in observance of **World Population Day**, creating awareness about population-related issues and sustainable development.

29 July 2025 – Media Workshop

The department organised a **Media Workshop**, providing students with exposure to contemporary media practices and communication skills.

30 July 2025 – Industrial Visit

An **Industrial Visit** was organised for the final-year B.A. English students, offering practical exposure beyond the classroom.

Anti-Ragging Committee

17 July 2025 – Anti-Ragging Awareness Programme

The Anti-Ragging Committee organised an **Anti-Ragging Awareness Programme** to familiarise students with institutional regulations, promote mutual respect, and ensure a safe and inclusive campus environment.

National Service Scheme (NSS)

14 July 2025 – Seminar on Blood Donation and Anti-Drug Awareness

The NSS Unit organised a **Seminar on Blood Donation and Anti-Drug Awareness**, creating awareness about voluntary blood donation and the harmful effects of substance abuse while encouraging responsible citizenship.

30 July 2025 – Blood Donation Camp

The NSS Unit, in association with **IMA**, organised a **Blood Donation Camp**, reaffirming the institution's commitment to humanitarian service and voluntary blood donation.

Institutional Collaboration

25 July 2025 – Memorandum of Understanding with Offenso Hackers Academy (P) Ltd.

The college signed a **Memorandum of Understanding (MoU)** with **Offenso Hackers Academy (P) Ltd., Palarivattom**, strengthening institutional collaboration and creating opportunities for industry interaction, skill development, and professional training.

Sports

11 July 2025 – Inter Department Football Tournament

The college organised the **Inter Department Football Tournament**, encouraging teamwork, sportsmanship, and active student participation.

29 July 2025 – Inter Department Football Tournament Final

The final match of the **Inter Department Football Tournament** was conducted with enthusiastic participation from students, bringing the tournament to a successful conclusion.

Postgraduate Department

14 July 2025 – M.Com (2023–2025 Batch) Convocation Ceremony

The college organised the **Convocation Ceremony** for the **M.Com (2023–2025 Batch)**, celebrating the successful completion of the postgraduate programme and recognising the academic accomplishments of the graduates.

July emerged as one of the most vibrant months of the academic year, bringing together academic innovation, industry interaction, extension activities, skill development, sports, community engagement, and institutional collaboration. The wide range of programmes organised during the month provided students with valuable opportunities to strengthen their academic foundation, professional competencies, leadership qualities, and social commitment.

Highlights of July 2025

Total Programmes Conducted: 23

Departments/Cells Involved: College Administration, Department of Computer Applications, Department of Management Studies, Department of BBA, Department of Commerce, Department of Psychology, Department of English, NSS Unit, Anti-Ragging Committee, Sports Committee and IQAC.

Major Focus Areas: Academic Innovation, Skill Development, Industry Exposure, Community Engagement, Student Welfare, Institutional Collaboration, Sports and Professional Development.

AUGUST 2025

August was marked by a vibrant blend of academic, cultural, institutional, and community-oriented activities. The month witnessed the successful conduct of programmes related to student induction, leadership development, alumni engagement, women's empowerment, national observances, extension activities, and the celebration of Onam. The active participation of various departments, clubs, and institutional bodies reflected the college's commitment to holistic student development and community engagement.

Department of English

01 August 2025 – Book Publishing

The **Department of English**, in association with **Sevana Library, Nochima**, organised a **Book Publishing** programme. The initiative promoted literary creativity and encouraged students to appreciate reading, writing, and publishing as integral components of academic and intellectual growth.

06 August 2025 – Media Research Fellowship Award

The college proudly celebrated the achievement of **Asst. Prof. Sahad A. A., Department of English**, who received the **Media Research Fellowship Award** from the Hon'ble Finance Minister, Government of Karnataka. The recognition added to the academic distinction of the institution and inspired both faculty members and students towards scholarly excellence.

Department of Commerce

04 August 2025 – Alumni Interaction

The **Department of Commerce** organised an **Alumni Interaction** programme, providing students with an opportunity to interact with alumni and gain valuable insights into higher education, professional development, and career opportunities. The programme strengthened alumni-institution relationships while motivating students through the experiences of successful graduates.

05 August 2025 – University First Rank Achievement

KMEA College of Arts and Science proudly celebrated the outstanding academic achievement of **Ms. Farsana N. R.**, who secured the **First Rank in M.Com Management and Information Technology** under **Mahatma Gandhi University** for the **2023–2025 batch**. The remarkable accomplishment brought great honour to the institution and reflected the student's dedication, perseverance, and academic excellence, as well as the guidance and support provided by the faculty members. The college community congratulated Ms. Farsana on this prestigious achievement, which serves as an inspiration to fellow students to strive for excellence in academics.

Women Cell

08 August 2025 – Seminar on Women and Financial Literacy

The **Women Cell** organised a seminar on **Women and Financial Literacy** to create awareness regarding financial planning, savings, investment, and economic independence. The programme encouraged students to develop financial awareness and responsible financial decision-making skills.

College Administration

13 August 2025 – Freshers' Day

The college organised **Freshers' Day** to formally welcome the newly admitted students into the KMEA family. The programme created an atmosphere of friendship, belongingness, and enthusiasm, enabling first-year students to interact with faculty members and senior students.

14 August 2025 – Invocation Ceremony

The **Invocation Ceremony** was conducted in the Main Auditorium, formally inaugurating the academic journey of the newly admitted students. The programme marked the beginning of the academic year with prayers, inspirational addresses, and messages encouraging students to pursue excellence in academics and character.

Department of Management Studies (BBA)

14 August 2025 – Industrial Visit

The **Department of Management Studies (BBA)** organised an **Industrial Visit** for the final-year students, providing practical exposure to industrial operations, organisational management, and professional practices. The visit complemented classroom learning through experiential exposure to the corporate environment.

National Service Scheme (NSS)

15 August 2025 – Recognition for Excellence in Voluntary Blood Donation

The **NSS Unit** received an **Award from the Mathrubhoomi Study Circle** in recognition of securing the **Highest Rank in Social Service through Voluntary Blood Donation**. The achievement reflected the dedication of the NSS volunteers and the institution's sustained commitment to humanitarian service and community welfare.

15 August 2025 – Independence Day Celebration

The college celebrated **India's 79th Independence Day** in association with the **NSS Unit**. The programme included the national flag hoisting and activities that fostered patriotism, national integration, and civic responsibility among students and staff.

College Union

21 August 2025 – Election to College Union

The **College Union Election** was conducted to elect student representatives for the academic year. The democratic process encouraged student leadership, responsibility, and active participation in campus governance.

Extension Activity – Just A Drop

22 August 2025 – Onam Kit Distribution

As part of the institution's **Best Practice – Just A Drop**, the **Departments of Psychology, English, and Management Studies** jointly organised an **Onam Kit Distribution** programme on **22 August 2025** to extend support to deserving families in the local community.

The initiative reflected the institution's commitment to social responsibility, compassion, and community engagement by sharing the spirit of Onam with those in need. Faculty members and students actively participated in the collection, preparation, and distribution of essential food kits, fostering values of empathy, service, and social commitment. The programme strengthened the departments' extension activities while encouraging students to develop a sense of civic responsibility and contribute meaningfully to society.

College Cultural Activities

26 August 2025 – Onam Celebration

The college celebrated **Onam** with great enthusiasm through a variety of cultural programmes that highlighted Kerala's rich traditions and cultural heritage. Students and faculty actively participated in the celebrations, fostering unity, teamwork, and cultural appreciation across the campus.

Payasam Challenge

The **Department of Management Studies** celebrated **Onam** by organising a lively and engaging **Payasam Challenge** as part of the festive celebrations. The event brought together students and faculty members to celebrate Kerala's rich cultural heritage in an atmosphere of joy and togetherness.

The **Payasam Challenge** encouraged students to showcase their creativity, teamwork, and culinary skills by preparing and presenting different varieties of traditional payasam. The activity promoted healthy competition while highlighting the cultural significance of Onam and its traditional cuisine. The celebration fostered unity, collaboration, and festive spirit among participants, making the event a memorable experience for everyone involved.

August reflected the institution's vibrant campus life through a balanced combination of academic programmes, alumni engagement, faculty achievements, student induction, extension activities, leadership development, national celebrations, and cultural events. The programmes

organised during the month strengthened institutional values while promoting academic excellence, community service, cultural harmony, and student participation.

Highlights of August 2025

Total Programmes Conducted: 10

Departments/Cells Involved: Department of English, Department of Commerce, Women Cell, Department of Management Studies (BBA), NSS Unit, College Administration, College Union and Extension Activity (Just A Drop).

Major Focus Areas: Literary Development, Alumni Engagement, Women's Empowerment, Student Induction, Faculty Achievement, Industrial Exposure, National Integration, Student Leadership, Community Outreach and Cultural Heritage.

SEPTEMBER 2025

September 2025 was characterised by academic continuity, student leadership activities, career development initiatives, industrial exposure, national awareness programmes, and student participation in university-level competitions. The programmes conducted during the month reflected the institution's commitment to experiential learning, leadership development, employability enhancement, and social awareness.

5 September 2025 – Anti-Suicide Awareness Campaign

The **Department of Psychology**, in association with the **Women Cell** and **IQAC**, organised an **Anti-Suicide Awareness Campaign** focusing on the rising concern of **dowry-related suicides**. The programme was inaugurated by **Prof. (Dr.) K. M. Abdul Karim, Principal**. Students participated in a **Pledge Signing Ceremony** against dowry practices and contributed messages to the "**Her Voice, Her Story**" Sticky Notes Wall. The campaign promoted awareness on gender equality, mental health, and social responsibility while encouraging students to stand against harmful social practices.

World Suicide Prevention Day Observance: Invited Talk

The **Department of Psychology** observed **World Suicide Prevention Day** by organising an invited talk titled " Safe Conversations for Suicide Prevention The session was led by **Ms. Muhsina K. S., Assistant Professor, Department of Psychology, MES College, Marampally**, who highlighted the importance of suicide prevention, recognising warning signs, and promoting supportive conversations. The programme enhanced students' awareness of mental health, encouraged help-seeking behaviour, and reinforced the importance of empathy and emotional support.

College Union

11 September 2025 – College Union Oath Taking Ceremony

Following the successful conduct of the College Union election, the **College Union Oath Taking Ceremony** was organised. The newly elected student representatives formally assumed their responsibilities, marking the beginning of a new phase of student leadership and democratic participation within the institution. The ceremony encouraged responsible leadership and active involvement in campus development.

Career Guidance and Placement Cell

11 September 2025 – Career Guidance Programme

The **Career Guidance and Placement Cell** organised a **Career Guidance Programme** to equip students with the knowledge and skills required for higher education and employment opportunities. The programme focused on career planning, employability skills, and preparing students for the evolving professional landscape.

Sports Achievement

19 September 2025 – MG University Badminton Tournament

Students of **KMEA College of Arts and Science** represented the institution in the **Mahatma Gandhi University Badminton Tournament** held at **Rajagiri College**. Participation in the university-level championship reflected the college's encouragement of sports excellence and provided students with opportunities to compete at a higher level while promoting discipline, teamwork, and sportsmanship.

Department of Commerce

24 September 2025 – Industrial Visit

The **Department of Commerce** organised an **Industrial Visit** to provide students with practical exposure to industrial operations, business practices, and organisational management. The visit complemented classroom learning by enabling students to understand the functioning of industries and contemporary business environments through direct observation and interaction.

25 September 2025 – Career Guidance Programme

The **Department of Commerce** conducted a **Career Guidance Programme** aimed at helping students explore career opportunities in commerce, finance, banking, taxation, entrepreneurship, and higher education. The programme encouraged informed career planning and professional development among students.

Student Activities

24 September 2025 – Palestine Solidarity Protest

Students of **KMEA College of Arts and Science** participated in a **Palestine Solidarity Protest**, expressing humanitarian concern and social awareness regarding global issues. The programme reflected the institution's encouragement of responsible citizenship and awareness of contemporary international developments.

24 September 2025 – NSS Day Celebration

The **National Service Scheme (NSS) Unit** celebrated **NSS Day** on **24 September 2025** with great enthusiasm to commemorate the spirit of selfless service, social commitment, and community engagement. The programme highlighted the significance of the NSS motto, "**Not Me But You**," and inspired students to actively participate in nation-building and community service initiatives.

The celebration included an orientation on the objectives and values of the National Service Scheme, followed by activities that promoted volunteerism, leadership, teamwork, and social responsibility. NSS volunteers actively participated in the programme, reaffirming their commitment to serving society with compassion and dedication. The event reinforced the importance of community engagement and encouraged students to uphold the ideals of responsible citizenship and selfless service.

September focused on strengthening student leadership, career preparedness, experiential learning, sports participation, and social awareness. The programmes conducted during the month provided opportunities for students to develop leadership qualities, enhance career readiness, gain industrial exposure, participate in university-level competitions, and engage with contemporary global issues.

Highlights of September 2025

Total Programmes Conducted: 8

Departments/Cells Involved: College Union, Career Guidance and Placement Cell, Department of Commerce, Sports, and Student Community.

Major Focus Areas: Student Leadership, Career Development, Industrial Exposure, University-Level Sports Participation, Social Awareness, and Experiential Learning.

OCTOBER 2025

October 2025 was marked by academic milestones, institutional collaborations, student leadership initiatives, and National Service Scheme (NSS) activities. Alongside the commencement of university examinations, the college organised programmes that strengthened academic excellence, community engagement, and institutional partnerships. The month reflected a balanced integration of curricular responsibilities and co-curricular

development, ensuring meaningful learning experiences for students beyond the classroom. Based on the records provided, the following activities were organised during the month.

National Service Scheme (NSS)

06 October 2025 – Recognition from IMA Ernakulam

The **NSS Unit** received recognition from **IMA Ernakulam** for facilitating the donation of **60 units of blood** through the college. The recognition highlighted the institution's continued commitment to voluntary blood donation and humanitarian service, acknowledging the dedicated efforts of NSS volunteers in promoting community health and social responsibility.

10 October 2025 – Orientation Camp for NSS Volunteers

The **NSS Unit** organised an **Orientation Camp** for newly enrolled NSS volunteers. The programme familiarised students with the objectives, activities, responsibilities, and values of the National Service Scheme, encouraging them to actively participate in extension activities and community development programmes.

Department Of Psychology

10 October 2025 – World Mental Health Day: Strong Minds, Bright Futures

The **Department of Psychology**, in association with **IQAC**, observed **World Mental Health Day 2025** by organising an awareness session titled "**Strong Minds, Bright Futures**" at **Abdulla Haji Ahamed Sait Memorial KMEA Al-Manar Higher Secondary School**. The programme focused on **stress management** and **exam anxiety with coping strategies**, creating awareness about mental health and emotional well-being among school students.

World Mental Health Day: Echoes of the Mind – Express, Reflect, Heal

As part of the **World Mental Health Day** observance, the **Department of Psychology**, in association with **IQAC**, organised "**Echoes of the Mind: Express, Reflect, Heal.**" The programme featured activities including a **Photography Contest**, **Mind Wall**, and **Letters to Self**, encouraging students to express emotions, reflect on their mental well-being, and promote a supportive campus environment.

13 October 2025 – Peace Valley Old Age Home Visit

As part of its community outreach initiatives, the **NSS Unit** organised a visit to **Peace Valley Old Age Home**. Volunteers interacted with the elderly residents, providing companionship and support while cultivating empathy, compassion, and social commitment among students.

24–25 October 2025 – ASAD SENA District Level Residential Camp

The **NSS Programme Officer** participated in the **ASAD SENA District Level Residential Camp** conducted at **Assisi Shanthi Kendra Ashramam**. Participation in the programme

enhanced leadership skills, programme management capabilities, and the effective implementation of NSS activities within the institution.

College Union

15 October 2025 – College Union Inauguration

The **College Union Inauguration** marked the official commencement of the activities of the newly elected College Union for the academic year. The programme encouraged student leadership, democratic participation, and collaborative engagement in organising academic, cultural, and extracurricular activities across the campus.

Industry Collaboration

16 October 2025 – Memorandum of Understanding with Fragomen

The college signed a **Memorandum of Understanding (MoU)** with **Fragomen**, strengthening industry-academia collaboration. The partnership aims to enhance students' exposure to professional opportunities through skill development programmes, industry interactions, and career-oriented initiatives.

Academic Activities

13–17 October 2025 – First Semester Model Examination

The **First Semester Model Examination** was conducted as part of the institution's continuous internal evaluation process. The examination provided students with an opportunity to assess their academic preparedness and familiarise themselves with the university examination pattern.

21 October 2025 – Commencement of Fifth Semester University Examination

The **Fifth Semester University Examination** commenced during the month in accordance with the Mahatma Gandhi University examination schedule, marking an important academic milestone for the outgoing batch.

22 October 2025 – Commencement of Third Semester University Examination

The **Third Semester University Examination** also commenced during October, ensuring the smooth conduct of university examinations for undergraduate students.

October successfully balanced academic commitments with student development and community engagement. While the institution focused on the conduct of model and university examinations, it also strengthened industry partnerships, promoted student leadership through the College Union, and expanded its social outreach through impactful NSS initiatives. These activities collectively reflected the college's commitment to academic excellence, responsible citizenship, and holistic student development.

Highlights of October 2025

Total Programmes/Activities Conducted: 10

Departments/Cells Involved: National Service Scheme (NSS), College Union, Industry Collaboration Cell, Examination Cell, and College Administration.

Major Focus Areas: Academic Assessment, University Examinations, Student Leadership, Community Service, Institutional Collaboration, Social Responsibility, and Holistic Development.

NOVEMBER 2025

November 2025 was marked by academic collaborations, career development initiatives, leadership enhancement programmes, community service activities, innovation-oriented events, and student participation in literary and environmental programmes. The activities organised during the month reflected the institution's commitment to academic excellence, professional development, social responsibility, innovation, and experiential learning. Students and faculty actively participated in inter-institutional programmes, competitions, and outreach activities that enriched their academic and professional competencies.

Career Guidance and Placement Cell

07 November 2025 – Interview Tips & LinkedIn Profile Development

The **Career Guidance and Placement Cell** organised a career development programme titled "**Interview Tips & LinkedIn Profile Development**". The session equipped students with practical knowledge on interview techniques, professional communication, résumé preparation, and effective utilisation of LinkedIn as a professional networking platform, thereby enhancing their employability and career readiness.

Academic Activities

10 November 2025 – Internal Examination

The college commenced the **Internal Examination** as part of its continuous internal evaluation process. The examination enabled students to assess their academic preparedness while strengthening their learning outcomes prior to the University examinations.

National Service Scheme (NSS)

13 November 2025 – Old Age Home Visit

The **National Service Scheme (NSS) Unit** organised a visit to an **Old Age Home** as part of its extension activities. The programme enabled volunteers to interact with elderly residents, fostering compassion, empathy, and a sense of social responsibility while reinforcing the values of humanitarian service.

28–29 November 2025 – Participation in the 7th Rain International Nature Film Festival

Two **NSS volunteers** represented the college at the **7th Rain International Nature Film Festival**, organised by the **Jayaraj Foundation** in association with the **MG University NSS Cell** at **Marian College, Kuttikkanam**. The volunteers also presented one of the college's documentary productions during the festival, reflecting the institution's commitment to environmental awareness, creativity, and community engagement.

Department of Computer Applications

18 November 2025 – Faculty Exchange Programme

The **Department of Computer Applications**, in association with **Cochin Arts and Science College**, organised a **Faculty Exchange Programme**. The programme facilitated academic collaboration, knowledge sharing, and the exchange of innovative teaching practices, thereby strengthening inter-institutional academic partnerships.

Student Engagement

24 November 2025 – SIR Duty at Kalamassery Municipality

Students of **KMEA College of Arts and Science** actively participated in **SIR Duty** at **Kalamassery Municipality**. The programme provided students with practical exposure to civic responsibilities while encouraging active participation in public service and community engagement.

Department of Management Studies

25 November 2025 – GIIMS Best Manager Contest

The **Department of Management Studies** organised the **GIIMS Best Manager Contest (College-Level Competition)**. The competition offered students an opportunity to demonstrate leadership, communication, decision-making, analytical thinking, and managerial competencies in a competitive academic environment.

Department of English

27 November 2025 – Participation in Hortus Literature Festival

Students of the **Department of English** participated in the **Hortus Literature Festival**, organised by **Malayala Manorama** at **Subash Park and Rajendra Maidan, Ernakulam**. The programme exposed students to contemporary literary discussions, creative interactions, and cultural experiences, enriching their appreciation of literature and language.

Institution's Innovation Council (IIC)

28 November 2025 – IIC Regional Meet

Representatives of the **Institution's Innovation Council (IIC)** participated in the **IIC Regional Meet**. The programme provided a platform for interaction with innovators, educators, and institutions while promoting innovation, entrepreneurship, and the exchange of best practices in higher education.

November reflected KMEA College of Arts and Science's continued commitment to academic collaboration, career readiness, innovation, literary engagement, leadership development, and community service. Through faculty exchange programmes, career development initiatives, student competitions, extension activities, literary participation, and innovation-oriented events, the institution continued to provide diverse learning opportunities that strengthened students' academic, professional, and social competencies.

Highlights of November 2025

Total Programmes Conducted: 9

Departments/Cells Involved: Career Guidance and Placement Cell, National Service Scheme (NSS), Department of Computer Applications, Department of Management Studies, Department of English, Institution's Innovation Council (IIC), Examination Cell, and Student Affairs.

Major Focus Areas: Career Development, Academic Collaboration, Community Service, Leadership Development, Innovation and Entrepreneurship, Literary Engagement, Environmental Awareness, Professional Competency, and Experiential Learning.

DECEMBER 2025

December 2025 was marked by academic enrichment, industrial exposure, student welfare initiatives, career development programmes, innovation activities, community engagement, and extension programmes. Various departments and institutional bodies organised seminars, industrial visits, invited talks, awareness programmes, and outreach activities that enhanced students' academic knowledge, professional competence, and social responsibility. The month also witnessed the successful conduct of the NSS Special Camp, reflecting the institution's continued commitment to community service and holistic education.

National Service Scheme (NSS)

01 December 2025 – World AIDS Day Observation

The **National Service Scheme (NSS) Unit** observed **World AIDS Day** by organising an awareness programme aimed at educating students about HIV/AIDS prevention, health awareness, and the importance of eliminating stigma and discrimination. The programme encouraged responsible health practices and social awareness among students.

27 December 2025 – Seven-Day NSS Special Camp

The **NSS Unit** organised its **Seven-Day Special Camp**, providing volunteers with opportunities to participate in community development activities, awareness campaigns, environmental initiatives, and social service programmes. The camp strengthened leadership qualities, teamwork, and civic responsibility among the volunteers.

Department of Computer Applications

02 December 2025 – Extension Activity

The **Department of Computer Applications**, in association with **Cyber Forensics**, organised an **Extension Activity** to provide students with practical exposure beyond the classroom. The programme encouraged experiential learning and enhanced students' understanding of emerging areas in information technology and cyber security.

Equal Opportunity Cell

12 December 2025 – Invited Talk

The **Equal Opportunity Cell** organised an **Invited Talk** to create awareness among students on issues related to equality, legal rights, and social responsibility. The programme encouraged inclusive thinking and strengthened students' understanding of constitutional values and equal opportunities.

Department of Commerce

12–16 December 2025 – Study Tour

The **Department of Commerce** organised a **Study Tour** for the **Sixth Semester B.Com Taxation** students. The programme provided practical exposure beyond classroom learning and enabled students to understand business operations, organisational practices, and industrial environments through experiential learning.

17 December 2025 – Career Guidance Programme

The **Department of Commerce** organised a **Career Guidance Programme** to help students explore higher education opportunities, competitive examinations, and diverse career pathways in commerce and allied disciplines. The programme encouraged informed career planning and professional development.

Department of Psychology & Counselling Cell

17 December 2025 – Promoting Digital Wellness among College Students

The **Counselling Cell**, in association with the **Department of Psychology** and **IQAC**, organised a programme titled "**Promoting Digital Wellness among College Students.**" The

session focused on responsible technology use, maintaining a healthy digital lifestyle, and promoting mental well-being among college students.

Department of Management Studies (BBA)

17 December 2025 – Industrial Visit

The **Fourth Semester BBA** students participated in an **Industrial Visit**, enabling them to gain practical knowledge of industrial operations, management practices, and organisational functioning. The visit complemented classroom learning by providing first-hand industrial exposure.

Institution's Innovation Council (IIC)

19 December 2025 – IPR Basics for Innovators and Entrepreneurs

The **Institution's Innovation Council (IIC)** organised a programme on "**IPR Basics for Innovators and Entrepreneurs.**" The session introduced students to the fundamentals of Intellectual Property Rights, innovation management, and entrepreneurship while creating awareness about protecting creative ideas and technological innovations.

December reflected KMEA College of Arts and Science's continued emphasis on experiential learning, career development, innovation, student welfare, and community engagement. Through industrial visits, extension activities, awareness programmes, career guidance sessions, innovation initiatives, and the NSS Special Camp, the institution provided students with diverse opportunities to strengthen their academic knowledge, professional competencies, leadership qualities, and social commitment.

Highlights of December 2025

Total Programmes Conducted: 9

Departments/Cells Involved: National Service Scheme (NSS), Department of Computer Applications, Equal Opportunity Cell, Department of Commerce, Department of Psychology, Counselling Cell, Department of Management Studies (BBA), Institution's Innovation Council (IIC), and IQAC.

Major Focus Areas: Community Service, Digital Wellness, Career Development, Industrial Exposure, Innovation and Entrepreneurship, Cyber Awareness, Equal Opportunity, Experiential Learning, and Student Development.

JANUARY 2026

January 2026 marked the beginning of the new calendar year with a series of academic, extension, cultural, and student development programmes. The month witnessed initiatives that promoted innovation, community engagement, civic awareness, and national values. Various departments and institutional bodies organised programmes that enhanced students' academic,

social, and professional competencies while encouraging active participation in community-oriented and co-curricular activities.

College Administration

12 January 2026 – Chief Minister's Mega Quiz

The college organised the **Chief Minister's Mega Quiz**, providing students with an opportunity to enhance their general knowledge, civic awareness, and analytical thinking. The programme encouraged students to remain informed about contemporary issues while fostering healthy academic competition.

Department of Computer Applications

16 January 2026 – Fourth Semester BCA Industrial Visit

The **Fourth Semester BCA** students participated in an **Industrial Visit** as part of their academic curriculum. The visit provided practical exposure to industrial operations, technological applications, and professional work environments, enabling students to connect theoretical knowledge with real-world practices.

27–28 January 2026 – ALOK 02 Tech Fest

The **Department of Computer Applications** organised **ALOK 02**, a two-day **Tech Fest**, providing students with a platform to demonstrate their technical expertise, creativity, teamwork, and problem-solving abilities through a variety of technical and non-technical competitions. The programme promoted innovation and collaborative learning among participants.

Community Extension Activity

17 January 2026 – Awareness Programme at SOS Children Village, Aluva

The college organised a **Community Extension Activity** in the form of an **Awareness Programme** at **SOS Children Village, Aluva**. The programme reflected the institution's commitment to community engagement and social responsibility by encouraging students to actively participate in extension activities that benefited society.

National Service Scheme (NSS)

20 January 2026 – Manuscript Magazine Release

The **National Service Scheme (NSS) Unit** released its **Manuscript Magazine**, showcasing the literary and creative contributions of NSS volunteers. The publication encouraged creativity, documentation of community service experiences, and student participation in literary activities.

26 January 2026 – Republic Day Celebration

The college celebrated the 77th **Republic Day** with patriotic fervour in association with the **NSS Unit**. The programme included the hoisting of the National Flag and activities that reinforced constitutional values, national integration, and responsible citizenship among students.

28 January 2026 – Community Extension Activity: Food Kits Distribution

The **NSS Unit** organised a **Community Extension Activity** by distributing **Food Kits** to deserving families. The initiative reflected the institution's commitment to humanitarian service and strengthened the values of compassion, social responsibility, and community welfare among NSS volunteers.

College Union

23 January 2026 – Food Fest

The **College Union** organised a **Food Fest**, providing students with an opportunity to showcase culinary skills, teamwork, creativity, and entrepreneurial abilities. The programme encouraged student participation while promoting collaboration and cultural interaction on the campus.

January reflected the institution's commitment to academic enrichment, innovation, community engagement, and national values. Through technical events, industrial exposure, extension activities, literary initiatives, and patriotic celebrations, the college continued to provide students with opportunities for experiential learning, leadership development, social responsibility, and holistic growth.

Highlights of January 2026

Total Programmes Conducted: 8

Departments/Cells Involved: College Administration, Department of Computer Applications, National Service Scheme (NSS), College Union, and Community Extension Activities.

Major Focus Areas: Technical Innovation, Industrial Exposure, Community Engagement, National Integration, Student Leadership, Experiential Learning, Literary Activities, and Social Responsibility.

FEBRUARY 2026

February 2026 was a vibrant month marked by cultural celebrations, student wellness initiatives, career-oriented programmes, technical workshops, alumni interaction, and sporting events. Through a variety of academic and co-curricular activities, the college continued to foster creativity, innovation, professional competence, and holistic student development. The programmes organised during the month reflected the institution's commitment to nurturing talent while promoting physical well-being, lifelong learning, and active student participation.

Arts Club

02 February 2026 – Nrithyarang Arts Fest Logo Release

The **Arts Club** officially unveiled the logo of **Nrithyarang 2026**, marking the commencement of the college's annual arts festival. The programme generated enthusiasm among students and set the stage for a series of literary, cultural, and performing arts competitions, encouraging artistic expression and student participation.

06 February 2026 – Nrithyarang Arts Fest

The college organised **Nrithyarang 2026**, its annual Arts Fest, providing students with a platform to showcase their talents in music, dance, literature, theatre, and fine arts. The event celebrated creativity, teamwork, and cultural diversity while promoting healthy competition and artistic excellence among students.

Department of Psychology & Women Cell

11 February 2026 – Your Menstrual Cycle is Your Super Power

The **Department of Psychology**, in association with the **Women Cell**, organised the awareness programme "**Your Menstrual Cycle is Your Super Power.**" The session focused on menstrual health awareness, personal well-being, and breaking social stigma associated with menstruation. The programme encouraged students to develop a positive understanding of menstrual health and overall wellness.

13 February 2026 – Mehendi Competition

The **Women Cell** conducted a **Mehendi Competition**, providing students with an opportunity to showcase their creativity and artistic skills. The event witnessed enthusiastic participation and added colour to campus life through healthy competition and cultural expression.

College Sports

16 February 2026 – Najah Students Union Sports Fest

The college organised the **Najah Students Union Sports Fest**, encouraging students to actively participate in various sporting events. The programme promoted physical fitness, teamwork, discipline, leadership, and sportsmanship while strengthening the spirit of unity and healthy competition among students.

Department of English

21 February 2026 – International Mother Language Day

The **Department of English** observed **International Mother Language Day** through programmes that highlighted the importance of linguistic diversity, cultural heritage, and

multilingual education. The observance encouraged students to appreciate their mother tongue while promoting respect for languages and cultures across communities.

26 February 2026 – Alumni Talk

The **Department of English** organised an **Alumni Talk**, enabling students to interact with alumni and gain valuable insights into higher education, career opportunities, and professional experiences. The programme strengthened alumni engagement while inspiring students through the achievements and experiences of former graduates.

February reflected KMEA College of Arts and Science's continued commitment to nurturing creativity, promoting student well-being, celebrating cultural diversity, and enhancing academic and professional development. The programmes conducted during the month provided valuable opportunities for students to participate in cultural festivals, health awareness initiatives, sports, and alumni interactions, contributing to their holistic growth.

Highlights of February 2026

Total Programmes Conducted: 7

Departments/Cells Involved: Arts Club, Department of Psychology, Women Cell, Department of English, Students Union, and College Sports.

Major Focus Areas: Cultural Excellence, Women's Health and Well-being, Student Engagement, Sports and Recreation, Language and Literature, Alumni Interaction, and Holistic Development.

MARCH 2026

March 2026 marked the successful culmination of the academic year with programmes that celebrated academic excellence, innovation, faculty collaboration, student achievements, career advancement, and women's empowerment. The activities organised during the month reflected the institution's continued commitment to nurturing leadership, fostering innovation, strengthening academic partnerships, and preparing students for future opportunities.

Career Guidance and Placement Cell

02 March 2026 – Placement Programme

The **Career Guidance and Placement Cell** organised a **Placement Programme** to facilitate employment opportunities for students and enhance their career readiness. The programme connected aspiring graduates with prospective recruiters while strengthening their confidence, employability skills, and professional preparedness.

Student Achievements

06 March 2026 – MG University Youth Festival Achievement

The college proudly celebrated the outstanding performance of its students at the **Mahatma Gandhi University Youth Festival**. Students secured **A Grade** in various events, reflecting the institution's continued encouragement of artistic excellence, creativity, and cultural participation. The achievement brought laurels to the college and highlighted the dedication and talent of its students.

Women Cell

09 March 2026 – Give to Gain: International Women's Day Celebration

The **Women Cell** organised "**Give to Gain**" in connection with **International Women's Day**. The programme celebrated the achievements of women while promoting gender equality, women's empowerment, leadership, and social responsibility. Through meaningful activities and student participation, the event reinforced the importance of creating an inclusive and equitable society.

Institution's Innovation Council (IIC)

09 March 2026 – Post Budget Webinar: MIC Driven Activity 8.0

The **Institution's Innovation Council (IIC)** organised a **Post Budget Webinar – MIC Driven Activity 8.0** to familiarise students and faculty with the key highlights of the Union Budget and their implications for innovation, entrepreneurship, and the start-up ecosystem. The programme encouraged informed discussions on emerging opportunities in higher education and innovation.

Department of English

13 March 2026 – Faculty Exchange Programme

The **Department of English** organised a **Faculty Exchange Programme** in collaboration with **Al-Ameen College**. The programme promoted academic collaboration, exchange of innovative teaching practices, and professional interaction among faculty members, thereby strengthening inter-institutional academic partnerships.

March concluded the academic year with programmes that celebrated student achievements, strengthened academic collaboration, promoted innovation, enhanced career opportunities, and recognised the importance of women's empowerment. The diverse initiatives organised during the month reflected KMEA College of Arts and Science's commitment to excellence in academics, professional development, research, innovation, and holistic student development.

Highlights of March 2026

Total Programmes Conducted: 5

Departments/Cells Involved: Career Guidance and Placement Cell, Women Cell, Institution's Innovation Council (IIC), Department of English, and Student Affairs.

Major Focus Areas: Placement and Employability, Academic Excellence, Innovation and Entrepreneurship, Women's Empowerment, Faculty Development, Cultural Achievement, and Institutional Collaboration.

Concluding Note

The academic year **2025–2026** concluded with a series of significant academic, co-curricular, extension, and institutional activities that reflected the college's commitment to excellence in education and holistic student development. The institution celebrated remarkable academic achievements, including the **First Rank secured by Ms. Farsana N. R. in M.Com Management and Information Technology (2023–2025 Batch)**, while also organising alumni interactions, invited talks, career guidance programmes, and skill enhancement initiatives. Students and faculty actively participated in residential camps, workshops, industrial visits, awareness programmes, study tours, and community outreach activities. Major institutional events such as the **College Union Election, Freshers' Day, Invocation Ceremony, Onam Celebration, NSS Special Camp, Medical Camp, ALOKI 2.0 Intercollegiate IT Fest**, and various departmental programmes enriched campus life and strengthened experiential learning. The successful conduct of internal examinations, model examinations, university semester examinations, valuation camps, and semester commencement ensured the smooth progression of academic activities. Through the dedicated efforts of its departments, NSS Unit, institutional cells, faculty members, and students, KMEA College of Arts and Science continued to uphold its vision of nurturing academically competent, socially responsible, and professionally skilled graduates, making the academic year **2025–2026** a memorable and productive chapter in the institution's journey.
